Key in Direct Sales is the ability to think on your feet.

Learn how you will react – don't freeze

### **Introduction To Merchants:**

Hi I'm [*your name*] (shake hands)

I've been talking with some of the merchants and other citizens in the area and I have something I think you would be interested in.

### **PAGE 1**

I represent Motor Club of America. When you join Motor Club of America you get a membership card that looks just like this. Your membership covers you in the United States and Canada.

### **PAGE 2**

First thing your membership provides is Road Side Assistance. When you are in your vehicle and you have a problem, all you have to do is call us. 24/7 just sign and drive.

If you have a flat somewhere, you call us and we'll send somebody out to you. Nobody likes to change a flat other than the guy getting paid to do it, right?

If you lock your keys in your car, have a dead battery, or you break down somewhere you call us 24 hours a day and we will take care of it.

### **PAGE 3**

It also covers your RV, your dually pick-up truck over 1 ton, your boat trailer, your motorcycle, or your live stock trailer up to \$100 for service.

## **PAGE 4**

You've also got \$500 in travel assistance.

Here's how this works –

If you have an accident, you hit somebody or somebody hits you or there may not be any one else involved. Maybe you hit a deer. This can help you continue to do your job.

So if you have an accident, it pays for your car rental for seven days up to \$500.

Now if the accident is away from home, here's what we will do for you –

If you are 50 miles or more away from home we'll pay up to \$500 for meals, lodging or for transportation home – now that may mean you have to rent a vehicle or you may have to get a flight to get back home. This will take care of you so you aren't stranded.

If your car just breaks down it doesn't cover that, but if you are in an accident regardless of who is at fault, we're going to keep you from being stranded.

## **PAGE 5**

MCA also provides planning and travel reservations. When you get ready to take a trip – you'll like this, a lot of our members say this is worth the money alone and they love it.

Call us – we'll send you a nice trip pack, we can schedule your trip, you get detailed routings, maps, airline reservations, and hotel discounts.

So anytime you get ready to travel, you use this and that saves you money.

## **PAGE 6**

You also have \$500 in bonds.

If you get stopped for a moving violation and there is a charge against you, we will post a \$500 bond for you.

Here in Oklahoma they will just write you a ticket but in some states when they stop you it's not so easy. They want you to pay the fine before they let you go. If you're coming back from a trip somewhere, you might not have \$95 or \$100 in your pocket to pay for a ticket.

We'll take care of you 24 hours a day – just call us.

## **PAGE 7**

You've also got \$25,000 in bail bond to release you.

## **PAGE 8**

You've got \$2,000 in legal fees to defend you for any of the over 100 moving violations you can be charged with. That's everything from speeding to vehicular homicide.

It's a good feeling when you head down the road to know that you already have legal benefits bought and paid for with your membership.

## **PAGE 9**

You also have \$1,000 in legal fees for an attorney to help you collect on injuries you suffered when you are in an accident or someone damages your vehicle.

If someone hits your car and they don't want to pay to fix it and you have to get an attorney involved – that's how this works.

## **PAGE 10**

Also with your membership you have \$5,000 in stolen vehicle reward.

If somebody steals your vehicle, you call the club to report it and you call the local law enforcement – we'll put up a \$5,000 reward for the recovery of your vehicle and the conviction of the person who stole it.

## **PAGE 11**

You also have up to \$1,000 in credit card protection. Do you carry credit cards?

If your credit card is lost or stolen we have up to \$1,000 in protection for you.

## **PAGE 12**

We also have a \$500 reward for information leading to the arrest and conviction of someone that has stolen your livestock, your stock trailer, your tack or any farm equipment.

If someone steals something off the farm we put up \$500 for the recovery of that equipment.

## **PAGE 13**

You get discounts on your prescriptions, eye care and dental. If you and your family are members you can all save.

You can go to any of the major pharmacies and receive discounts on your prescription drugs.

You also get discounts on your eye exams, contact lens, glasses and Lasik surgery.

You can use this for you and your entire family that are members. There are also dental savings up to 50%.

## **PAGE 14**

You also have emergency benefits, that cover you on any accident, not just vehicle accidents.

## **PAGE 15**

If you are injured in a covered accident we pay emergency room benefits up to \$500.

If you are involved in an accident and the EMT says you need to go have yourself checked out, you know you have \$500 in benefits. What a lot of people like about this is that it can help with your deductibles on your hospital benefits on your insurance.

## **PAGE 16**

You've got hospital benefits. If you are injured in an accident and end up in the hospital this pays \$150 a day for a full year.

That is \$54,750 in benefits available to you.

The nice thing is these benefits are paid directly to you, not the hospital. If you have health insurance that's going to pay the hospitals and doctors but this is paid directly to you because you are going to have a loss of income. You're going to have expenses you have to cover, so this comes directly to the member.

## **PAGE 17**

You have \$10,000 death benefit. If a member is killed in any accident, we pay \$10,000 to the estate.

## **PAGE 18**

Another benefit you have on your membership is an additional \$50,000 accidental death benefit you may enroll in.

You have 3 choices:

1. Individual coverage
2. Husband and wife coverage or
3. Family coverage

You elect the level of coverage you want.

You can choose option one – which is \$50,000 benefit. If something happens to you we pay \$50,000 to your family if it is an accident.

You can choose option two which is \$25,000 on you and \$25,000 on your spouse.

Or you can choose option three that provides \$30,000 on you, \$15,000 on your spouse and \$3,500 on each of your children.

Option 3 also carries some additional benefits of up to \$1500 a year for day care for your children, it will pay up to \$1500 a year for children who are enrolled in higher education, and it can provide retraining money up to \$3000 for your spouse to re-enter the work force.

So you can choose the level of benefits you like.

## **PAGE 19**

You also have a travel assistance program. This is a worldwide travel benefit.

If you are 100 miles or more away from home and you have any kind of medical emergency, this will get you back home. I've heard these medical helicopters don't get off the ground for less than \$25,000. It costs a lot of money if you need this and it is a part of your membership.

This is world wide - so if you were on a cruise, if you were in Hawaii, or if you were in London England, this protects you worldwide. This covers accidents and even if you get sick.

## **PAGE 20**

So here's what you get with your membership:

You have road side service 24 hours a day – if you have children you can put them on the plan as well. If you don't want to be broken down on the side of the road, you certainly don't want your children broken down there either. So you want to have this for them also.

You've also got your emergency road side assistance for your boat trailer, your RV, your motorcycle, your duley, and your livestock trailer.

You also have \$500 travel interruption assistance if you're involved in an accident more than 50 miles from home or car rental for an accident closer to home.

You've got your trip planning.

You have \$25,000 bond.

You've got \$2000 to defend you.

You've got \$500 stolen vehicle reward.

You have \$1000 credit card protection.

You have \$500 in reward if anything happens to your farm equipment.

You've got prescription drug, vision and dental discounts.

You have \$500 for emergency room benefits.

Over \$54,000 in covered hospital benefits.

\$10,000 accidental death benefit.

And you have an additional \$50,000 death benefit tacked on to that.

Finally you have travel assistance anywhere in the world.

You get all these benefits and services for only \$19.95 per month.

Now you can also put your spouse on this plan.

## **CLOSE**

Let me show you our application –

You put your name here, then you can put your spouse on here, then you can add each of your children.

It's only \$19.95 for each one of them.

All the information we get from you is your name, address and phone number.

I'll give you a copy of this and as you can see your benefits are in full force right now.

This is the 800 number if you need any help before you get your card, you just call this number and they will help you.

I'm going to give you a copy of this receipt and your membership is in full force today.

I would like to enroll you as a member today.

## MCA Approach

After you normal greeting . . . . .

I've started a new Business. As a part of my training, I've got to show our program to 20 people. It will only take about 15 minutes. You may or may not be interested.

## The Art of getting Recommendations

When you've made the sale, you close your kit, and when the prospect sees you close the kit, the process is over in their mind and they kind of relax. Then the first thing I say is,

**“I want to ask you a question. As a matter of fact, I need your help. We've found as a company that we get our best members from people just like you, hard-working, responsible people. Who do you know here in this area that would make me a good member?”**

When somebody says “I want to ask you a question” an antenna goes up. They kind of perk up a little bit. And then you say “As a matter of fact, I need your help.” They immediately move to ‘how can I help this guy?’ Then you say “we've found as a company” – not that I've found, but “we've found as a company that our very best members come from people just like you, hard-working, responsible people. Who do you know here in the area that would make a good member?” You don't say, “Who do you know that would buy this?” or “Who'd be interested in it?” because you don't want your prospect trying to figure out, ‘who would buy it or who would be interested.’ You just say, “who'd make a good member?” The average person will give you five names of people to go see. With those people you call on as a result of recommendations, the closing ratio is a lot higher than cold calls, because a friend or relative, someone they respect or love, sent you over there. If you want a long career in the motor club business, learn the art of getting recommendations.

After many years in the Direct Sales Industry, I have found that the people that are successful and have long careers with any company, have learned the art of getting recommendations.
